Community Consultation on Stonefields Heritage Trail

3:00 p.m. Sunday 8th September, Stonefields School Hall

Auckland Council wishes to consult with the community on the development of the Heritage Trail. There has been a lot of progress in recent weeks and they feel it is time to consult with the community on its design before proceeding further.

No Council project officers will be present so this will be an Orakei Local Board Member-driven session, with maps/posters, information handouts and a proforma feedback form. The Board has been through the presentation a few times, but any questions they can't answer will be forwarded to Council officers to respond later.
